

Pinterest Business (business.pinterest.com)

12.4/100

Brand deviation score

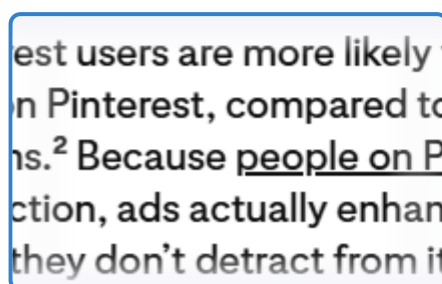

141 / 145

Passing WCAG contrast checks

Deviation score: 0 is fully on-spec, 100 is maximally drifted from the brand's own token spec. Contrast checks: independent of the score above — WCAG 2.1 is an external, objective standard, not this brand's own choice.
